Dear Parents and Carers,   Monday 18th September 2023

The week beginning 9th October 2023 is our **Autumnal Celebration Week**! Throughout this week, children will take part in a range of activities all about autumn, which are closely linked with various subjects and skills within the curriculum.

During this week, we will also be **_inviting families in to the school to join your child_** in some autumnal activity workshops. This will be an opportunity for you to spend some time with your child, their peers and the adults they work with, whilst enjoying some practical and hands on activities.

Due to space within our school, we can only have **1 adult per child** attending the workshops.

Toddlers and any pre-school siblings are unable to join us on this occasion.

Please see the timetable below for days and timings:
