Dear Parents,

We would like to invite you into school to meet your child's new class teacher in September. All parents will meet collectively in your child's new classroom. This 20 minute session will provide information for your child's new year group including: PE days, homework, spellings and so on. You will have the opportunity to ask your child's new teacher any questions about the curriculum you may have at the end.

Your child may have the same teacher going into their new year group in September but this is still a beneficial meeting to attend, to find out changes to the year group and other essential information. Due to limited space in the classrooms, one parent/carer per family may attend on this occasion. Babies and toddlers may attend, however, if you can find childcare this would be greatly appreciated.

A reminder will be sent out in September via the school app.
