Wednesday 8th March 2023

Dear Parents and Carers,

Hatching Duckling Eggs

Next week, as part of our Science learning, our focus topic will be 'Growing'. Therefore, we would like the children to participate in helping to hatch and care for Ducklings over a 10 day period.

The eggs and hatching equipment will be provided by an external company and will be delivered on **Monday 13th March**. The company will set everything up in the Year R classrooms so the children will be the first to experience this amazing opportunity.

We will teach the children how to handle the ducklings correctly and they will be supervised in washing their hands afterwards.

Please complete the consent form on the school app by **Friday 10th March**.

Thank you for your continued support,

Mrs H Khader and Miss T Nedjat

First and last name

I give permission for my child to handle the ducklings: Yes No

Signed:
