Dear Parents and Carers,

In Geography this term we have been learning about the continent of North America. As part of this topic we will be comparing an area of North America with our local area. To support this learning, on **Thursday 8<sup>th</sup> December** we will be walking safely to Jeskyns Park, looking at geographical features around the park and returning back to school before lunch.

Please make sure your child has a water bottle, appropriate footwear for this walk and a warm coat. They may also wish to wear hats, scarves or gloves. Otherwise they must be in their usual uniform.

We hope the children will enjoy this practical approach to immerse them in their learning as curious field-work geographers!
