ENGLAND ROCKS – TIMES TABLE TABLES ROCKSTAR COMPETITION

Dear Parents/Carers,

We are celebrating **Maths Week England** by taking part in a friendly times tables (and division) competition. The competition runs from 07:30 GMT Monday 14th November to 19:30 GMT Wednesday 16th November. It's all done online via <https://play.ttrockstars.com/>.

If you/your child are unsure of their log in for Times Tables Rockstars please contact your child's class teacher who will be able to provide this information.

Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a daily time limit of 60-minutes per player. In other words, each player can earn competition points for up to 60-minutes between 07:30 GMT and 19:30 GMT on Monday 14th November to Wednesday 16th November. Once the player goes beyond the 60-minutes maximum of play time that day, they will no longer earn points towards the competition but will still earn their own coins for their personal Times Tables Rockstars account. The children will have the opportunity to contribute to the competition within part of their maths lessons during the course of the competition period but are encouraged to participate at home too.

Parents, Carers and siblings, in the spirit of the competition, please do not play on their behalf but by all means encourage and support their taking part.

Thank you for your continued support,

Miss Watson

Maths Co ordinator
