Dear Parents/Carers

Wednesday 21st September 2022

Clubs:

We are looking forward to continuing to run clubs both during the school day, at lunchtimes and after school. Last year the sports coaches ran 12 sessions of sports clubs per week, held at lunchtime which included team games, invasion games and multi skills. All children accessed these clubs. There was also a great variety of sports clubs and other clubs that took place after school such as:

- Singing
- K-nex
- Chef school
- Knitting
- French club
- Cheerleading
- Choir
- Story book club
- Film club
- Board games
- Dance
- Dodgeball
- Multiskills
- Handball
- Rugby

These were all very successful and enjoyable for all those took part.

We would like to thank the Teachers for giving up their time voluntarily to carry out these clubs alongside their busy workload.

In addition to these clubs, there were lots of enrichment events, workshops, competitions and visits that happened throughout the year, both whole school and for individual classes. For example: Number day, Science week, productions, author visits, Poetry day, Purple day, Cozy in the corner day, Science Boffins, World Book Day, book afternoons and many more.

This year:

Many of these clubs will continue this year along with some new occasions, where parents are invited to come into school. For example, the upcoming sponsored walk-a-thon and autumn craft workshop. More information on all of these occasions will follow throughout the year.

We are also pleased to tell you that the Dog Mentoring scheme will also continue this year and all children will have the opportunity of meeting the dogs and their new puppies!

Our daily paid breakfast and after school club is there to support our working parents with their child care needs; please enquire at the office with regards to registering for this.

In classes the children have been discussing some new ideas for clubs that the school could run this year. Their ideas will be on the agenda for the first meeting with the new school council representatives which are going to be chosen and announced in the coming weeks.

Thank you for your continued support,

Mrs Atkinson (School Council Lead)
