

Book we are reading:

Highlights:

Angelfish have loved exploring our new classroom and learning about what makes us special - including the people in our family, what we look like and what we wear and do.

Year 1 Angelfish CLASS MESSAGE

Date: Monday 16th September

How you can help at home:

Listen to your child read their phonics book with you. Enjoy story time with your children together - allowing them to talk about what's happening.

A message from my teacher:

What a great start to the first term in Angelfish class. You should be very proud of your achievements and adapting to the changes of Year 1. Keep up the hard work 😊

Mrs Khader
