

# Sports Funding

## **Review of Provision for 2022-23 and Planned Provision for 2023-2024**

The government is continuing to provide additional funding of over £300 million per year to improve provision of physical education (PE) and sport in primary schools across the country. This funding, provided jointly by the Departments for Education, Health and Culture, Media and Sport is allocated to primary schools.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools must use the funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport they provide.

Sports funding is designated for Y1-Y6 but facilities are also provided by the school for Year R through the provision of outdoor equipment and coaching opportunities.

At Singlewell School we are keen to use this money to improve the specialist PE provisions in place to provide teaching and learning opportunities for both staff and children and to improve children's overall fitness.

As parents are aware, we have provided many varied opportunities for the children to receive major games coaching in recent terms; dance, multi skills, basketball.

All schools are required to keep account of the expenditure and impact of this ring-fenced funding. Ofsted will carry out an inspection of PE and sport and require schools to know the impact of the sports funding on the overall provision.

Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

The school currently uses the following external providers:

**Pro futures**

**Team theme**

## **Impact of Sports Funding in 2022-23**

Our allocation of £18,890 and was spent in a variety of ways:

- Hiring specialist PE teachers or qualified sports coaches to work with teachers when teaching PE.
- Paying for professional development opportunities for teachers in PE and sport.
- Professional sports coaches running daily lunchtime clubs
- Purchasing new sports equipment to replace existing equipment.
- Improving the indoor sports and leisure environment.
- Bringing in ICT to support and improve school PE and Sport.
- Providing different experiences that the schools resources and curriculum may not offer i.e. team building days.
- Mile a day/ 5 a day so that children get regular exercise daily.

### Children accessing sports clubs provided by the school 2022-23

The children had access to a variety of different clubs after school with support from professional sport staff. Lunch time professional coaching included many different activities as follows:

Year Group	Lunch activities
Year R	Gross motor skills
Years 1 - 6	Handball, Football, Netball, Dodgeball, Tennis, Running, Sprinting, Hurdles, Skipping, Golf, Tag Rugby, Game Creation
	Game Creation- children invent their own games including rules, points system and ways to win, some of the less engaging children really benefit well from the game creation and have come up with some really good ideas.

### Children accessing professional sports coaching at lunchtimes 2022-23

The number of children accessing professional sports coaching at lunchtimes and the activities undertaken were as follows:

Year Group	Percentage attending Multi-sports
YR	100%
Y1	100%
Y2	100%
Y3	100%
Y4	100%
Y5	100%
Y6	100%

### Planned provision through the Curriculum 2022-23

Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Movement and jumping skills Ball skills Gymnastics Team Games Athletics Hand – eye coordination games Games Multi skills Club	Team games Ball skills Movement and jumping Dodgeball Team games and challenges Hand-eye coordination games Multi skills club	Movement and jumping skills Ball skills Team games Netball Tag Rugby Tennis Multi Skills club	Basketball Rounders Gymnastics Football Athletics Tennis Tag Rugby club	Netball Rounders Gymnastics Paralympic sports Tag Rugby Athletics Football/ handball club	Netball Football Gymnastics Athletics Kwik Cricket Tennis Dodgeball Club Swimming	Tag Rugby Hockey Athletics Badminton Rounders Tennis Dodgeball Club

## **Impact of Provision 2022-23**

All children have had the opportunity to experience coaching from an expert in their field. An increase in school sports participation is fundamental especially when Gravesham is high on the list of areas within Kent where obesity has been highlighted as a cause for concern.

Initially we have ensured that every child has had access to the sports provision through PE in the curriculum. The sports provision is engaging and varied to ensure that all children can participate and find a lifelong love of sport. To encourage involvement, we have used the chosen sports for after school clubs.

100% of each class will receive expert sports provision from our outside sports providers – TeamTheme Kent and Pro Futures. This could be during their PE curriculum sessions, the opportunity to participate with expert coaches during lunch time sessions or as an after school club. During the lunch sessions each class will have an allocated slot where all children participated in this extra sport curricular as well as one other additional timing they can opt to participate in.

### **Mile a day/ 5 a day**

The government has stated that each child should be receiving 30 minutes of exercise a day additional to their class PE lessons. Therefore, the school continued to complete the mile a day which is a 15 minute run/walk and aims to keep the children active, promote positive mental well-being and a readiness to learn. Classes have been including this within their morning routine and this seemed to have a positive impact. 5 a day is beneficial to the health and well-being of all children as it is differentiated by year group and progressive in its skills.

### **Other provisions that took place**

Year 6 participated in an external activity day 'Go Ape – problem solving activity' where they had the opportunity to work in teams, collaborating ideas and working together during their outdoor experience. Year 6 were able to have a visit from an expert coach and participate in a team building activity day due to the pandemic restricting their extracurricular time previously.

Over the year there have been some positive changes and children seem to be enjoying their PE lessons more and have had the opportunity to exercise in the mornings. After school clubs have been re-established and enjoyed by all children. The lunchtime provision has continued to increase and a coach supported the children during every lunchtime so that children were getting vital daily exercise opportunities which helped to keep them focused and wanting to learn more about specific sports. The gym equipment on the playground continues to be very popular and is always in good use.

## Review of Provision for 2022-2023

Target	Tasks	Responsibility	Resources	Start/Completion Dates Funding	Beneficiaries	Funding	Success Criteria	Monitoring/ Evaluation
Teachers confidence in accessing all aspects of the PE curriculum and to teach consistently good/ outstanding PE	<p>Develop CPD and ensure this has been delivered across the school to show sustainability.</p> <p>Particular focus on ensuring NQTs have confidence and skill through extra support and CPD.</p> <p>To use learning walks to ensure teaching is consistent throughout the school.</p> <p>Use of teacher voice to discuss areas of concern so we can support staff.</p> <p>Increase fitness levels for KS2 children/teacher CPD.</p>	<p>Teachers to attend CPD courses including PE Co-ordinator to then transpire through whole school CPD.</p> <p>Teachers to choose areas of interest so they can receive ongoing CPD</p> <p>External visitors come in to deliver sessions on identified areas of weakness.</p> <p>New planning scheme put in place with access to video footage examples.</p> <p>KS1 and KS2 sports and competitive games specialist.</p>	<p>CPD with outside professionals to enhance teaching across the PE curriculum.</p> <p>First session focus on AFL.</p> <p>Teacher release time.</p> <p>Allow teachers to learn to teach a specific areas of PE and how to make it competitive.</p>	Ongoing	All children and staff	<p>£13,350</p> <p>Team theme professional sports coaching.</p>	<p>Teachers will be able to give consistently good/ outstanding PE lessons.</p> <p>Teachers to complete a staff survey.</p> <p>Staff to actively involve themselves within lessons to try and give them ideas for their own PE lessons.</p> <p>Data of children's attainment available on request.</p> <p>Teachers to record lesson observation data.</p> <p>PE Co-ordinator to monitor.</p>	<p>Refer to pupil attainment grids.</p> <p>The children are able to learn the correct and appropriate skills professionally and have shown a great interest in the different ranges of sport the coaches can provide.</p>
To use a new scheme of work by Complete PE to enhance current scheme.	To ensure teachers are confident in demonstrations and activities for each area of the curriculum in the framework, using the video footage and interactive scheme to guide them.	<p>Complete PE questionnaire</p> <p>PE Co-ordinator to undertake CPD with other teachers.</p>	<p>CPD for teachers and sustainability of games and activities across the school. It provides video footage on what successful skills look like. This provides active examples for accurate teacher and pupil assessment.</p>	Ongoing	Teachers/ Children	No cost due to a cluster meeting held at the school.	<p>Teachers more confident in demonstrating and undertaking activities for each area of the PE curriculum and deliver good/outstanding lessons.</p>	<p>Teachers continue to gain confidence by observing coaching professionals. Observations to be continued.</p>
Sports equipment	Increase children's participation in PE lessons by ensuring each child has access to equipment especially in games.	PE Co-ordinator to order new balls for PE lessons.	Children will be active throughout lessons which is a greater benefit to their health.	Ongoing	Teachers/ Children	£245.19 Equipment	<p>Creating a better understanding and a higher fitness level.</p> <p>Improve games equipment.</p>	<p>New equipment was ordered when needed and all children had the opportunity to participate with professional coaches during lunch time, PE slots and After School Curriculum.</p> <p>The stickers encouraged the children to participate in sports day and other events and provided them with praise and reassurance that they had done well.</p>

To increase and raise awareness of healthy lifestyles.	<p>A sporting week will be set up again to enhance children's understanding of athletes, increase participation in sports and to give all children a chance to compete through more intra house competitions.</p> <p>To participate in Sports Relief.</p> <p>Purchase a new cooker so children can experience a range of healthy foods at change 4 life club.</p> <p>To include more leaders in health and fitness at the school</p>	PE Co-ordinator/ Teachers/External Sports Providers	<p>Children will be selected to monitor the level of physical activity at lunch time.</p> <p>Teachers to enforce and show children what healthy living is and how we can do this at home.</p> <p>CPD for change 4 life leader and the children</p>	Ongoing	Children will have a better understanding of healthy lifestyles and how to increase their well-being.	Included in Sports Coaches fees	<p>Children's understanding and passion for healthy eating.</p> <p>Children to participate in Sports Relief fundraising day.</p> <p>Not purchased as cooker in Assistant HT room that can be used and the school kitchen for cookery classes.</p>	The school had a healthy week which encouraged the children of all ages to be healthy and the importance of this. It allowed the children the chance to realise the importance of being healthy. This will continue in the following year with support from the healthy schools lead to promote after school clubs and walk on Wednesdays.
Promote healthy lives.	<p>Healthy living assemblies and competitions will ensure children are aware of how to live a healthy lifestyle through exercise and healthy eating (Linked to Change 4 Life).</p> <p>Athlete visit which will include a healthy mind set and body workshop.</p> <p>Year 6 to attend an external activity day.</p>	<p>Assemblies by Assistant Head teacher and Leader of Learning for PE and external coaches.</p> <p>Year 6 Teacher</p>	<p>Children will be able to use their knowledge of healthy living and put it into their own lives.</p> <p>To promote active life styles and the use of exercise and motivation out of school.</p> <p>Visit to Go Ape Adventure Experience</p>	Ongoing  July 2023	Children will have a better understanding of healthy lifestyles and how to increase their wellbeing.	Included in Sports Coaches fees  £1,000 Yr 6	<p>Feedback on children's views -Promoting active and healthy lifestyles through a range of different methods</p> <p>Promote different types of activities and team building</p>	Yr R created a display using their PSHE work in the hall for all to see promoting different ways of being healthy. Yr 6 enjoyed their day visit and their external activity it supported with life skills including team building and different gross motor skills. We will continue to promote healthy lives next year to support the children's understanding of the importance of healthy lives.
Walk on Wednesday	To encourage children to walk to school. This will therefore contribute to their 30 minutes' worth of exercise per day.	Year 5 children to collect information from each class to find out who is walking to school.	Encourages physical activity in the wider community.	Ongoing	Children will feel benefits of walking	£0	<p>It is recorded every Wednesday which year groups have the most amount of children walking and then announced which year groups won for that week.</p> <p>Children walking to school will reduce parking congestion.</p>	More children walking to school on Wednesday and less parking congestion outside of school. This also leads to a safer environment for the children walking around outside school grounds. This will continue next year and have a bigger focus with support from the healthy schools lead.
Use of coaches at lunch times	To encourage children to engage in physical activity in their lunch hour	External coaches	The children are utilising their play times effectively and are able to develop their fitness.	Ongoing	Creating a better understanding and a higher fitness level.	Pro Futures £9,400	Observations of activities to assess impact	All children have enjoyed professional coaching at lunch times. Each class had an allocated time slot that all children participated in and an additional slot children could opt in to.
To continue to undertake 5 a day Fitness routines	To encourage children to be active in the day and to promote better concentration levels.	Class teachers during the school day	Children become more active.	Ongoing	All pupils	£274	Children to be more active during the day in the classroom resulting in higher concentration levels and improved learning.	Children enjoy the 5 a day challenges and they are suitable based on the age range selected.

## **Planned Provision for 2023-2024**

**Our allocation of £19,430 is being spent in a variety of ways for 2023-24:**

- Specialist PE teachers or qualified sports coaches to work with and train teachers when teaching PE.
- P.E. hub scheme introduced to increase confidence in teaching of P.E.
- Paying for professional development opportunities for teachers in PE and sport
- Running sport competitions and lunchtime/after school clubs
- Continue to use 5 a day online fitness program.
- Continuation of walk to school Wednesday initiative
- Different athletes to visit to spark the children's interest
- Training for children to become fitness friends
- Allocate time to observe teachers to find how effective the CPD used has been
- Develop Early Years outdoor play equipment

### **Other Provisions for 2023-24**

We are beginning to plan in 'intra-school' competitions – these will take place at the end of every other term. This will involve children being given the opportunity to experience competitive sport against the other house teams in school. There will be an event taking place in Spring term as well as our Sports day event in Term 6.

Swimming lessons in 2023/24 at Cascades Swimming Pool for Year 5 will also be funded by the Sports Funding Grant.

## Expenditure for 2023-2024

Target	Tasks	Responsibility	Resources	Start/Completion Dates Funding	Beneficiaries	Funding	Success Criteria	Monitoring/ Evaluation
Walk on Wednesday	To encourage children to walk to school. This will therefore contribute to their 30 minutes' worth of exercise per day.	Healthy school's lead TN will organise this using support from other children.	Encourages physical activity in the wider community.	Ongoing	Children will feel benefits of walking	£0	It is recorded every Wednesday which year groups have the most amount of children walking and then announced which year groups won for that week.  Children walking to school will reduce parking congestion.	
Teachers confidence in accessing all aspects of the PE curriculum and to teach consistently good/ outstanding PE	Develop CPD and ensure this has been delivered across the school to show sustainability.  Particular focus on ensuring NQTs have confidence and skill through extra support and CPD.  To use learning walks to ensure teaching is consistent throughout the school.  Use of teacher voice to discuss areas of concern so we can support staff.  Increase fitness levels for KS2 children/teacher CPD.
