

Book we are reading:

ABCDEF
GHIJKLM
OPQRST
UVWXYZ

Year 1 Angelfish CLASS MESSAGE

Date: Monday 18th November

How you can help at home:

Listen to your child read their phonics book with you.

Log on to EdShed and practice the spellings ready for the spelling test every Friday. These are also found in the homework books.

Highlights:

Angelfish have been practicing to add and subtract in different ways using objects, part whole models and number lines. We have been learning about the different seasons and how to identify these too.

A message from my teacher:

A great start to our second term in Angelfish class. Thank you to the parents for attending our book look afternoon - the children really enjoyed sharing what they have been learning.

Keep up the great work 😊
