

Book we are reading:

ABCDEF
GHIJKLM
OPQRST
UVWXYZ

Highlights:

We have been learning to follow instructions and recipes. We used this knowledge to make bird feeders in science using plastic bottles, and how to make sandwiches following on from our English text this term. We have been learning all about homes from the past in history and how some homes were made of wood and straw with only one room!

Year 1 Angelfish CLASS MESSAGE

Date: Monday 10th February

From: Mrs Khader and Mrs McBride

How you can help at home:

Children to practice doing up their zips on their coats and putting their jumpers on.

Continue to listen to your child read and use EdShed to practice the spellings that are set each week ready for our test on Fridays.

A message from my teacher:

You have all worked very well this term, learning lots of new skills and putting these to practice.

Enjoy the week off, you deserve this break and we will see you after the half term. Keep safe and have fun! 😊
