Tuesday 25th February

Dear Year 4 Parents/Carers,

I am writing to inform you that your child will be participating in the multiplication tables check (MTC) in June. The purpose of the check is to determine whether your child can fluently recall their times tables up to 12x12. The ability to rehearse and understand multiplications up to and including 12 will enable your child to confidently and skillfully tackle more complex mathematical subjects as they progress through primary school and beyond.

The MTC is a statutory assessment that all Year 4 pupils will undertake this year. Your child will sit the check between Monday 2nd June and Friday 13th June 2025. They will have the opportunity to sit a practice check in class so that they are familiar with the lay out and timings of the MTC.

I am delighted to invite you to an informative Multiplication Check Workshop on Friday 28th February at 2.30pm.

It will be held in our Sports Hall and is expected to last approximately 30 minutes.

The workshop will be an opportunity to find out not only valuable information about what the assessment entails but also how it is conducted as well as ways you can support your child in preparing for it at home.

Kind regards,
Miss Watson
(Maths Co-ordinator)
