

Dear Parents/Carers,

This week at school Year R children have been writing their letters to Santa! We have worked very hard and made sure that our letters are beautifully presented so that Santa will be able to read them.

During the afternoon of Thursday 12th December 2024, Jellyfish and Starfish class will be taking a local walk to our nearest post box to post our letters.

The children will put their letters in envelopes and learn about what an address is before we go, and each child will have the opportunity to post their letter to Santa themselves. We will be posting the letters without a stamp.

Please make sure you have signed the general consent form sent out on the ParentApp on 19.9.24, otherwise, your child will not be able to participate.

Thank you
The Year R Team
