Thursday 7<sup>th</sup> May, 2026

To Parents/Carers,

Please see below final key details for the residential trip.

**Food**

We are being provided with a lunch on arrival and before departure, so no packed lunch will be necessary. We are happy for children to bring sensible snacks for between activities if needed e.g. cereal bars, fruit snacks etc. but no sweets or fizzy drinks and strictly no nut products please.

**Pick up and drop-off**

Please ensure that your child is dropped off at Lower Grange Farm at 12:45 on Thursday 21<sup>st</sup> May, they will be met by a member of Singlewell Staff. Your child will need to be picked up on Friday 22<sup>nd</sup> May at 12:00pm from the same location. **Please fill in the attached form to let us know if your child is going to be picked up by another parent or member of the family.**

**Medication**

If your child will need medication at any point during the residential e.g. allergy medication, asthma pump etc. this will need to be given to your child's group leader on arrival and will be handed back on pick up. If for any reason we have to administer any medication you will be informed via the school medical tracker system – you will receive a text message. In the event of any more serious injury we will of course contact you directly, as per normal procedure.
