Tuesday 10th March 2026

Dear Parents and Carers,

We are planning to take Year 5 on a trip to Chatham Historic Dockyards. This trip has been chosen specifically to enhance the children's learning around the Titanic and forces in Science. It will be a very busy day with a jam-packed schedule! The children will be taking part in a rocket building workshop, a rope making workshop, and visiting HMS Submarine Ocelot, HMS Cavalier and HMS Gannet. This is a unique experience for the children to take part in.

We have booked the visit to Chatham Historic Dockyards on
Wednesday 22nd April 2026

On the day, the children must arrive promptly for registration at 8.40am as we will be leaving school to travel on a coach at 9am; with our first workshop commencing at 10am.

We will be returning for the normal school finishing time of 3.10pm, children will be dismissed as usual from their classrooms.

Your child should wear their usual school uniform with comfortable walking shoes and a hat. Once-a-day sunscreen should be applied to your child before school. They will also need a packed lunch and a water bottle.

The cost of the trip will be **£22.80**.

We would appreciate consent and payment **Friday 27th March 2026** please, via ParentPay. Please do not use American Express payment cards due to the high charges incurred.

While contributions are not mandatory, the trip will only proceed if sufficient funds are raised. No child will be excluded based on contributions. If you are experiencing financial difficulties, please contact the school office.

We are very much looking forward to this trip and hope your child is too!

Thank you very much in advance,

Mrs Harvey and Miss Cheema
Year 5 Teachers
