Deputy Headteacher: Mrs Broad

10th June 2026

Dear Parents and Carers,

We are delighted to inform you that Year 5 have been invited to take part in Meopham School's Science Fair. This is a fantastic opportunity for the children to experience a full day of hands-on science activities in a specialist school setting and to further develop their understanding of exciting scientific concepts.

The Science Fair will take place on
Tuesday 7th July 2026

During the day, the children will take part in a range of practical science experiments in well-equipped science laboratories. Activities will include investigating how fireworks produce different colours and exploring how we can test for the presence of sugar in different foods. It promises to be a fun-filled and memorable day, giving the children the chance to learn through engaging, real-life science experiences.

On the day, children should arrive at school at the usual time for registration at 8:40am. We will return in time for the normal school finishing time of 3:10pm, children will be dismissed as usual from their classrooms.

Your child should wear their usual school uniform with comfortable shoes. They will need to bring a packed lunch and a water bottle, as food will not be provided at the venue.

The children will travel to and from Meopham School by coach. We are asking for a voluntary contribution of **£5.17** per child towards the cost of transport.

We would appreciate consent and payment by **Friday 26th June 2026** please, via ParentPay. Please do not use American Express payment cards due to the high charges incurred.

While contributions are not mandatory, the trip will only proceed if sufficient funds are raised. No child will be excluded based on contributions. If you are experiencing financial difficulties, please contact the school office.

We are very much looking forward to this exciting opportunity and hope your child is too!

Thank you very much in advance,

Mrs Harvey and Miss Cheema - Year 5 Teachers
