

Save the Date

Friday 15th May 2026

We are inviting our bright spark Year 6 pupils to come into school in their brightest coloured clothing on Friday 15th May. This is to celebrate their efforts, commitment and resilience during their final year at Singlewell Primary School and to mark the end of SATS week.

As a result, during Friday 15th May the children will enjoy a wellbeing day inclusive of fun sport and craft activities.

We also plan to watch **Goodnight Mr Tom**.
