

Book we are reading:

Year 6
Groundbreakers

CLASS
MESSAGE

How you can help at home:

Read with your child every day. Login into TTRS and Spelling Shed. Complete homework set on Purple

Highlights:

Year 6 have made a fantastic start to the year! We have been exploring place value, addition, and subtraction in Maths, enjoying our whole class arithmetic and getting stuck into our class book, 'High Rise Mystery'. We have also been discovering Roman crime and punishment, but the biggest highlight so far has definitely been completing the Colour Run!

A message from my teacher:

I am so proud of Groundbreakers for the fantastic start they have made to year 6. It has been lovely to see you enjoying lunch with Year 1 & 2 and show such kindness
