Dear Parents and Staff

Welcome Back to School!

I hope this letter finds you all in good health and high spirits as we prepare to embark on another exciting school year at Singlewell Primary School. It is with great pleasure and anticipation that I extend this warm welcome on behalf of the Board of Governors.

The start of a new academic year is a time of renewal and fresh beginnings. For our students, it represents a new chapter in their educational journey filled with opportunities for growth and learning. For our dedicated staff and teachers, it is a chance to inspire and shape the future leaders of tomorrow. And for our parents, it signifies the continued partnership between home and school in nurturing our children's potential.

I want to express my deep gratitude to our incredible staff and teachers who tirelessly work to create a safe, inclusive, and stimulating learning environment for our students. Your unwavering dedication is the cornerstone of our school's success.

To our students, I encourage you to approach this year with curiosity, enthusiasm, and a thirst for knowledge. Each day is an opportunity to discover something new and to grow as individuals. Embrace the challenges, celebrate your achievements, and remember that your education is a valuable gift. To our parents, your support and involvement are vital to our school community. We value your partnership and commitment to your child's education. Together, we can provide the guidance and encouragement our students need to excel.

And finally, to our esteemed Headteacher, Mrs Brown, thank you for your exceptional leadership and vision. Your guidance and dedication continue to steer our school towards excellence.

As Chair of Governors, I am excited about the prospects that lie ahead for our school. We are committed to fostering a nurturing and empowering environment that enables each student to reach their full potential.
