Dear Parents and Carers,

As you will be aware, the Coronation of King Charles III will be taking place on Saturday 6th May 2023. Singlewell would also like to commemorate this event in School by inviting you to join us to celebrate in the week leading up to the Coronation.

To prepare for this event we would like to set a family task of designing and making a spectacular crown at home fit for our new King! On the day you are invited in, your child can dress as royalty or in red, white and blue and wear their crown creations that will later be shown in a parade.

You will be creating Coronation crafts with your child as directed by their teacher. We ask that you bring along a small afternoon tea/ cake to share with your child. You will then enjoy a crown parade before taking your children home at the end of the day. Please do not bring any alcohol onto the premises or food items containing nuts.

We hope to celebrate outside as much as possible but this is weather dependent. If it happens to rain, celebrations will go ahead but will take place indoors.

On this occasion, 2 adults per family are able to attend. This will be a special event to enjoy with your child and we ask that you do your very best to organise childcare for preschool/ baby siblings but we appreciate this may be difficult. We remind you that if younger siblings do attend, they **must be** closely supervised by their adults. Any child whose adults cannot attend can bring a party bag of snacks and a drink and will sit with their classmates and teachers to enjoy the festivities.

Entry will be via the front gate only where you will be directed accordingly to the Coronation Workshops.
