

COMMUNICATION

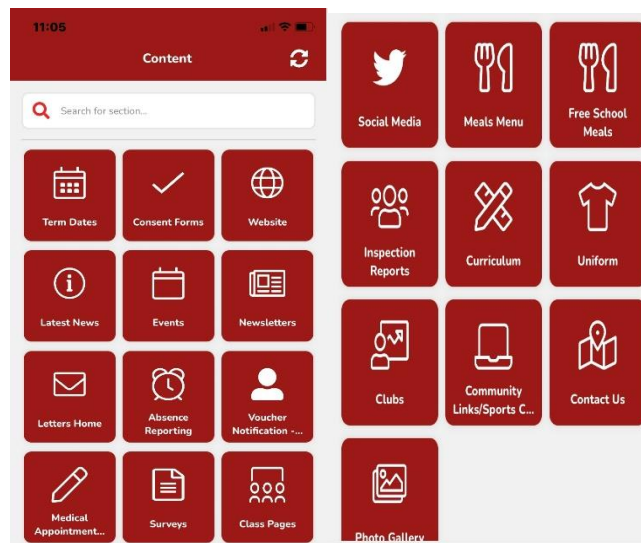

SINGLEWELL PRIMARY SCHOOL APP

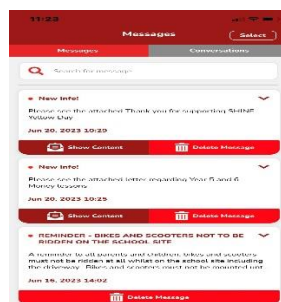

We **communicate** with you by our **School App 'Parentapps'**.

Our App is free to download and is available for both Apple and Android devices. It will provide you with instant access to our term dates, event information, newsletters, social media, website and much more.

Additionally, you will be able to view and submit consent forms easily for trips and clubs and receive secure documents. The App will also enable you to invite additional family members, ensuring that the right people have access to important information.

We will use the App to send targeted messages via push notifications so you aren't bombarded with messages that are not relevant.

Lastly, the App is fully secure and GDPR compliant and in order to access it you will need to be invited via email or SMS message. **Please look out for a text invitation from Parentapps with further instructions on how to download and access the App.** This will be sent out at the beginning of September. Instructions on how to activate the App are detailed on the back of this letter for ease of reference.

Please also ensure you inform the School Office of any changes to mobile numbers/email addresses.

If you have any questions, please contact the school office.
