

**I really enjoyed the Year 1  
assembly. I thought all the  
children read well. I liked the  
photos and videos on the  
screen too.**

**Jessie's Mum**

I love attending my childrens school assemblies,  
where the children can display their work and  
share their progress with the parents in the school.  
They are able to commincate effectively about  
what they have learned. It is key in their  
development. Thank you for a wonderful and  
interesting assembly. Hoping it will be one small  
step for Mum and one giant leap for Singlewell.

Havva's Mum

**I enjoyed coming in to see the  
Year 1 assembly on Neil  
Armstrong and space. Isaac  
has been talking about it lots  
at home. Great to see the  
confidence in them all.**

**Mrs Solly**

**It was lovely to be invited into the school to  
watch the children give their presentation on  
Neil Armstrong. It was very clear to see how  
much they enjoyed performing for us. Kaden  
has taught me a few facts that I wasn't aware  
of about the 1st moon landing.**

**Kaden's Mum**

**It was an amazing assembly and  
it was very nice to see what  
they have been learning about.  
Hayden knew more about Neil  
Armstrong than me.  
Year 1 Parent**

**I was very proud of Macey she spoke  
loud and clear. I also enjoyed learning  
about Neil Armstrong, it was very  
interesting.  
Macey's Mum**

**I really enjoyed  
watching Year 1 in their  
assembly. Thank you  
for inviting us in.  
Mr and Mrs Gibbons**

**Very well done to Year 1 on their  
assembly about Neil Armstrong.  
They did very well with making their  
rockets too.  
Year 1 parent**
