A group of diverse cartoon children smiling. There are seven children in total, with various skin tones, hair colors, and styles. One girl has glasses, and one boy is wearing a red cap. The children are arranged in a cluster, with some overlapping. The background is white with some faint, light-colored floral patterns.

At Singlewell we believe our **CARES** values together with engaging teaching that inspires **curiosity** and is filled with **ambitious** challenge, builds **resilience** and creates a school where learning behaviour is excellent. Children are treated **equally** and develop good social skills which enable them to take responsibility for and regulate their own behaviour which keeps them **safe** around the school.

As stated in our behaviour policy, which can be found on our school website.

In Year 4:

Your child is now in Key Stage 2

Differences in the curriculum include:

The Multiplication Tables Check (MTC). W/B 1st June 2026

Recorder Lessons on a Wednesday.

Breaktime: 10:50am

Lunchtime: 12:15pm

(Key Stage 2 can bring a healthy fruit/ vegetable snack- no cereal bars or sugary biscuits)

In June, your child will be completing the MTC (Multiplication Tables Check). This is an online statutory test of 25 questions. The children have 6 seconds to answer each question.

We will be learning and practicing these daily, using Times Tables Rock Stars. Please encourage your children to practice at home, whenever possible.

Attendance is essential to helping children reach their full potential. Absenteeism means children miss valuable learning experiences, have gaps in their curriculum knowledge and compromise crucial academic times such as SATS.

We must work together to impress the importance of attendance and punctuality. All pupils should have at least 96% attendance in a school year, which already makes allowances for the normal rate of ill health.

The school will NOT be able to authorise any holidays in term time. Permission for absence from school can only be granted in exceptional circumstances and this no longer includes holidays.

FRIENDSHIP

It is very normal for friends to fall out, it is also important for children to learn how to resolve conflict.

If there is an ongoing issue that is not getting resolved between children please know, as teachers, we are here to help. Please come to us and avoid any form of social media e.g. WhatsApp, Facebook etc.
