At Singlewell we believe our **CARES** values together with engaging teaching that inspires **curiosity** and is filled with **ambitious** challenge, builds **resilience** and creates a school where learning behaviour is excellent. Children are treated **equally** and develop good social skills which enable them to take responsibility for and regulate their own behaviour which keeps them **safe** around the school.

As stated in our behaviour policy, which can be found on our school website.

We expect the children to:

Have a positive attitude and be engaged in their learning.

Have respect for themselves and others, and respect for their learning environment.

Be responsible for their own actions, learning and belongings.

Learn from their mistakes and take pride in their achievements.

Listen to others- be attentive, turn-taking in conversation and following instructions.

Adopt our core values and class routines.

In Year 3

Your child is now in Key Stage 2

Differences in the curriculum include:

Children will begin learning a language. At Singlewell, we teach French
Children will learn how to play Ocarina's every other term during Music
Children will take part in Forest school in Term 5 and 6

Breaktime: 10:50am

Lunchtime: 12:15pm

(Key Stage 2 can bring a healthy fruit/ vegetable snack- no cereal bars or sugary biscuits)

Attendance is essential to helping children reach their full potential. Absenteeism means children miss valuable learning experiences, have gaps in their curriculum knowledge and compromise crucial academic times.

We must work together to impress the importance of attendance and punctuality. All pupils should have at least 96% attendance in a school year, which already makes allowances for the normal rate of ill health.

The school will NOT be able to authorise any holidays in term time. Permission for absence from school can only be granted in exceptional circumstances and this no longer includes holidays.

FRIENDSHIP

It is very normal for friends to fall out, it is also important for children to learn how to resolve conflict.

If there is an ongoing issue that is not getting resolved between children please know, as teachers, we are here to help. Please come to us and avoid any form of social media e.g. WhatsApp, Facebook etc.
