

Book we are reading:

Highlights:

This term in art we have been looking at different artists who used different techniques, such as tinting, shading and mixing.  
In Science we have learnt about natural products and what they produce such as cows produce milk.  
In maths we have been learning to add and subtract.

# Year 2 Questseekers

# CLASS MESSAGE

How you can help at home:

Check EdShed and the homework book for spellings – these are set each week.

A message from my teacher:

Well done for a great first term back, you have settled into Year 2 very well and are showing a great attitude for learning. The autumn

Date: October 2025
