

Book we are reading:

# Year 2 Questseekers

# CLASS MESSAGE

## Highlights:

We have been learning all about the Great Fire of London in History this term. In DT we are planning how to build our own fire engines!

Maths this term, we have been looking at adding and subtracting using our number bonds and tens and ones knowledge.

In science we are learning all about different materials and what they are used for. Last week we made bridges to test the most suitable material.

How you can help at home:

Please read every night. The children are encouraged to choose reading for pleasure books that they can also read with you.

A message from my teacher:

A great start to term two, showing ambition and curiosity, especially in our personal development days including: Children In Need,

**Date: November 2025**
