

Book we are reading:

Year 6 Trailblazers CLASS MESSAGE

Highlights:

This term, we have begun learning all about WW2 within History, enjoying looking at a range of artefacts within our mystery history boxes. We have also begun considering how to **express ourselves** through our clothing and facial expressions within Art. Lastly, in Science, we explored how light travels in a straight line. A special mention to 5 super Trailblazers who took part in the mini marathon on 26.4.26.

How you can help at home:

1. Encourage consistent reading habits, even 10 minutes per day will have a positive impact on your child's reading ability.
 2. Supporting your children with accessing TTRS and Spelling Shed weekly.
- Thank you!

A message from my teacher:

Well done for all of your hard work, resilience and determination when accessing past SATS papers in preparation for the upcoming KS2 SATS WC 11th May.

I am very proud of you all for using a 'can do' attitude.

Miss Watson 😊
