

## Book we are reading:

# Year 2 Questseekers

# CLASS MESSAGE

## Highlights:

In Science we have started to learn about plants, looking at the difference between bulbs and seeds. We have set up our investigation and planted 6 seeds all in different living conditions (no water etc) to see which will grow the best. Ask your child about their investigation question.

In DT this term we will be practicing our sewing skills and will be making a puppet. In Geography we will be learning all about maps and co ordinations.

In Maths we have been learning to tell the time, moving on to looking at tally charts and pictograms.

## How you can help at home:

Reminder – Please bring Forest school kit in every Wednesday – list on the classroom door.

## A message from my teacher:

How we are in term 6 of Year 2 already is beyond me. This academic year has gone so quick. We have got lots to look forward too including sports day!

Well done for your efforts, behaviour and
