Year 2 Adventurers CLASS MESSAGE

Date: June 2026

From: Mrs Shaw

Highlights:

We have been enjoying lots of practical learning to supplement our knowledge and make it fun and memorable. We have role played as characters from our English text to help us understand the story better. In Geography we have been making maps of our classroom and school. Our science topic this term is about plants, so we have planted seeds and kept them in a variety of conditions to see which will grow best. We have been enjoying creating algorithms in computing this term too.

ADVENTURE

A message from my teacher:

This academic year has gone so quickly so far. I am so proud of how engaged you are in all our topics this term, showing excellent curiosity-keep it up!

We have lots still to look forward to including sports day.
