Year 5 Conquerors CLASS MESSAGE

Highlights:

This term, we have had an amazing time learning together. As a year group, we worked incredibly hard on Enterprise Day and were thrilled to raise the most money. In maths, we have worked super hard in understanding how to use column method to add and subtract decimals. We have enjoyed learning all about South America and discovering its fascinating geography and culture. We also had the best time taking part in Sports Day, where everyone showed fantastic teamwork, determination and encouragement.
