

Welcome Groundbreakers!

Welcome to Year 6, Groundbreakers! We are so excited that we get to continue our journey together and spend your final year of primary school with you. We already know what a fantastic class you are and we cannot wait to see all the amazing things you will achieve this year. Year 6 is a very important and special year!

Miss Cheema

Mrs. Fifiield

Mrs Fifiield will teach us French and Geography/History on Monday afternoons.

We absolutely love the topics we cover in Year 6:

D&T: making pizza, creating cushions and building bridges;

Art: creating vases, sketching, painting and collaging landscapes and sculpting wire models;

Geography: exploring the Caribbean, mountains and trade/economics;

History: crime and punishment, the Kingdom of Benin and WW2;

Science: electricity, evolution and inheritance, animals including humans, living things and their habitats, light and looking after our environment;

Computing: networks, graphing, coding, introduction to Python, spreadsheets and blogging;

RE: Units 2.5, 2.7, 2.8 & 2.3;

PSHE: relationships, safety first, one world, digital wellbeing, money matters, puberty & me;

PE: basketball, football, gymnastics/dance, racket skills, handball, athletics & rounders;

Music: ukulele;

French: at school, healthy lifestyle, at the weekend, WW2/planets/habitats, Vikings & me in the world.

Some excellent texts we will enjoy together:

- Wonder
- Skellig
- Holes
- Goodnight Mister Tom
- Letters from the Lighthouse

Within maths, we will revisit and extend previously taught concepts, as well as introducing several new methods and areas.
