

Welcome to Pioneers Class!

I have loved getting to know you all during our transition sessions over the past few weeks and I hope that you are looking forward to Year 4. I know Miss Fry and I are!

Pioneers are known as the first person to do something, showing bravery and resilience. Great skills needed as you move up the school. We will be covering some really exciting topics including Extreme Earth, Victorians, Electricity and the Digestive System. We will also be diving into some fantastic books such as The Lion, The Witch and the Wardrobe, The Last Bear and The Iron Man.

I am really looking forward to seeing you after the summer holidays and diving into all of our exciting topics!

Enjoy your summer,

Miss Kilmister ☺
