

Hello and a huge welcome to Inventors Class and Key Stage 2!

I am really looking forward to spending the year with you all and finding out just how creative and curious you all are.

You will be working with me, Mr Roe, and for some days Mrs Mills. Your Teaching assistants are Mrs McBride and Ms Murrell. Lots of adults to help you be the best you can be!

We'll be swinging through Rainforests, exploring Antarctica, discovering mysteries in Ancient Egypt and surviving the Stone Age! You will also learning new skills like the ocarina and French.

Have a fantastic summer and we all look forward to seeing you in September!
