

Welcome To Discoverers!

Welcome to Year 3!

I am so excited to be your teacher next year and welcome you into Discoverers class.

During your time in Year 3 we will explore some amazing topics and take part in amazing, inspiring learning based around them.

You will enjoy things such as:

Stone age day.

A trip to explore Rainforest animals.

Making Egyptian death masks.

Creating dinosaur footprints.

Pop up Antarctica pictures.

and much, much more.

Alongside all of this you will learn lots of new things like;

Column addition and subtraction with exchanging, short multiplication and division and lots of timetables!

A big focus will be introducing you to Times Table Rock stars - which you will practice your timetables on both at home and in school

Have a lovely summer, enjoy some well-deserved rest and I look forward to greeting you with a smile in September.

Miss Meredith.
