

Welcome Pathfinders!

Miss Khader

Welcome to Year R Pathfinders. We are so looking forward to getting to know you all and to spend your first year of primary school with you. We have so much to look forward too! Miss Khader will be your teacher on Monday, Tuesday and Wednesday. Mrs McCormack will teach you on Wednesday, Thursday and Friday.

Mrs McCormack

In Year R there is so much to do and explore such as:

Exploring the natural environment – investigating with different materials. We will look at mixing different colours, creating, drawing and building in expressive arts and design.

In science, we will explore the natural world, senses, seasons and the world around us.

In history, we will look at the past and present, also explore different homes around us.

Throughout the year, we will also look at our numbers in lots of different ways, special events and celebrations, practice fine and gross motor skills within the class and our PE lessons and we even get a school trip at the end of the year!

Some excellent texts in Reading and Writing that we will enjoy together:

Plus many more!

We also get to do a lot of creative and imaginary play both inside and outside.
