

YEAR 3

Inventors Discoverers

SCHOOL PROGRAMME OF STUDY

ENGLISH

Year 3 will be covering a range of exciting texts including: The Enormous Crocodile; Tuesday; Stone Age Boy; How to Wash a Woolly Mammoth; The Great Kapok Tree, The Worst Witch; How to Train Your Dragon and Ice Trap. Using these books we will be writing narratives, play scripts, poetry, letters and much more!

MATHS

Year 3 will cover a range of topics in Maths. These include Place Value, Addition and Subtraction, Multiplication and Division, Fractions, Money, Shape, Time and Mass and Capacity.

Please ensure you regularly log in into Times Tables Rockstars & prepare for weekly times tables testing.

SCIENCE

In Science, the children will be learning about the following topics: Forces and Magnets, Rocks, Animals including Humans, Light, and Plants. Throughout the year, children will develop their scientific skills- asking questions, carrying out simple tests and observing closely to draw conclusions to explain the world around them.

HISTORY/ GEOGRAPHY

In History, the children will explore different civilizations and significant battles and compare life in the past to the present through the topics of Ancient Egypt, Stone Age & The Romans. In Geography, the children will develop key geographical skills through the following topics: Exploring the UK and Europe, Antarctica and The Rainforest.

PSHE

Within PSHE we will cover a range of topics, which will support the children with their understanding of internet safety, their relationships with others and living in a diverse world. The topics include Relationships, Health and Wellbeing and Living in the Wider World.

ART/ DT

Throughout the year, the children will be using a range of skills such as sketching, painting, designing, creating and evaluating. Our topics include European Art, Stone Age Cave Painting, Egyptian masks and Roman mosaics.

FRENCH

In French, alongside developing cultural awareness the children will learn vocabulary through songs, stories and activities. In Year 3, there is a focus on: Animals, Instruments, Seasons, Icecreams and 'I am able'.

MUSIC

In Year 3, children learn about key musical elements including rhythm, timing, pitch and tempo through playing the ocarina and learning songs such as 'Let your spirit fly' and 'Three little birds'.

RE

In our RE lessons we will be thinking about the key questions: How do Sikh people worship? Why is the Bible important for Christians today? Why do people pray? What does it mean to be a Christian in Britain today? Why are festivals important to communities?

PE

Year 3 will be learning about the importance of teamwork, strategy, skill building and staying active through: Football, Netball, Dance, Gymnastics, Badminton, Athletics and Rounders.

Please make sure children are wearing the appropriate kit: plain white/ red polo top, black bottoms.

COMPUTING

Through iPads, computers and other various technology Year 3 will learn skills in relation to databases, touch-typing, email, PowerPoint, coding and spreadsheets. We will also focus on different aspects of computer safety.

HOMEWORK

Children must be reading every day. Spellings will be set on a Friday. An additional task relevant to the week's learning will also be set either in their homework book or on Purple Mash.
